

BACK TO SCHOOL 2021 - Supplies Lists 8/15/2021

We have a customized list from Odenton ES to use instead of the standardized list (see below). As of August 15 we are waiting for Seven Oaks to send us their list, and we will use the Odenton ES list in the meantime.

If you already purchased supplies using the county's standardized list posted earlier, that will be fine. (And please let me know – GLMakar@juno.com)
